

Ralph Page Dance Weekend Callers' Scholarship Application
Ralph Page Weekend: January 10 and 11, 2025
Wesley United Methodist Church, 114 Main Street, Worcester, MA

As the Ralph Page weekend continues to build back after a hiatus due to Covid, we are again offering Callers' Scholarships to expose newer callers to traditional New England contra dances. The goal is to broaden the scope of dances in their repertoire and to ensure that these traditional dances continue to be called and enjoyed in the future.

Successful Scholarship applicants will receive free admission to the event, be mentored by staff callers and be able to network with other callers, musicians, dance organizers and dancers.

Expectations:

- Attend Friday and Saturday, including the workshop session geared to callers.
- Participate in the Callers' Showcase
- Complete a reflection on your Ralph Page Event experience by February 1, 2025

Please complete the following and return this to RP Committee Member Sandy Lafleur, strumma@aol.com, or PO Box 877 Wilton, NH 03086 by December 15, 2024.
